Presents

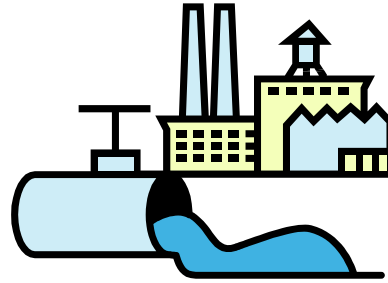

WRWA SPRING WASTEWATER OPERATOR CERTIFICATION TRAINING

WRWA Spring Wastewater Operator Certification Training

WRWA will offer wastewater operator training for the new operator and the experienced operator looking to upgrade their license. These courses will enable the operator to pass the operator exams held this spring, and operators will learn about processes in their treatment plants.

All classes are offered at the Wisconsin Rural Water Training Center in Plover, WI.

Speaker: WRWA Staff

Visit the WRWA website for site location
map and future training at:
