## WISCONSIN RURAL WATER ASSOCIATION

*Presents*

### NEW REGULATIONS

*(3 W CEC's offered)*

In summer and fall of 2010 water operators are looking at many new regulations and changes to existing ones as well. The WI DNR has recently completed revisions of NR 809/811 and have added a new section, NR810. Changes in NR code include new cross connection control rules, mandatory disinfection, among other things. The WI DNR is also implementing the Groundwater Rule and creating new requirements for water use reporting and water use fees. This session will give an overview of these new regulations and what they mean to Wisconsin communities.

August 17, 2010

**(8:00 AM – 11:00 AM)**

Burlington WWTP  
6551 S. Pine Street  
Burlington, WI

August 19, 2010

**(8:00 AM – 11:00 AM)**

Cottage Grove Village Hall  
221 East Cottage Grove Rd  
Cottage Grove, WI

**TOOLS OF THE TRADE**  
*(3 W CEC's offered)*

This session will give operators an overview of the tools that are not only used frequently to operate a public water system but those that are needed occasionally for special situations. Equipment will be on hand to demonstrate. Equipment discussed and on-hand will include line tracing equipment, leak locator, valve box vacuum, ph test kit, dechlorination unit, line thawing equipment and sewer camera.

August 17, 2010  
**(12:00 PM – 3:00 PM)**  
Burlington WWTP
