## WISCONSIN RURAL WATER ASSOCIATION

### OTM / NN OPERATOR TRAINING

#### WATER EFFICIENCY (3 OTM/NN CEC'S)

With upcoming requirements & fees on water quantity, permitting and conservation as well as increasing awareness of energy efficiency, public systems will need to look at their current water use and measurement in order to meet these requirements and save costs wherever possible. This class will provide information on the current and upcoming requirements in these areas and provide attendees with information on identifying their current water usage and ways to promote water conservation to their residents and employees.

April 5, 2011  
**(8:00 AM – 11:00 AM)**
