Presents

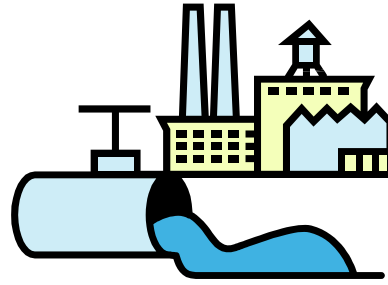

Wastewater Operator Certification Training

Wastewater Operator Certification Training

WRWA will offer wastewater operator training for the new operator and the experienced operator looking to upgrade their license. These courses will enable the operator to pass the operator exams held this fall, and operators will learn about processes in their treatment plants.

All classes are offered at the
Wisconsin Rural Water Training Center 350 Water Way Plover, WI.

October 20, 2010 (8:00 am – 12:00 pm)

Advanced General Wastewater

- Sources and Characteristics
