Vendors & Exhibitors – Join Us For a Fun, Educational Day!

Wisconsin Rural Water Association's Outdoor Expo will be held Thursday, August 23, 2018. Last year, this one day outdoor event was attended by almost 700 water, wastewater and plumbing industry professionals from throughout the State of Wisconsin. We're hoping you'll participate and help make this year's event a success for you and our attendees. To do that, first you must register to reserve your exhibit space and make sure your company is represented. We have exhibit spaces in a variety of settings- park-like, paved, indoors and open field to accommodate your activities, equipment and products.

Presentations & Product Demonstrations

Next, sign up to give a presentation or product demonstration. Operators attend this event in order to stay up-to-date on new products and technologies. This is a great opportunity to help showcase your products and services to everyone in the industry. These will be scheduled throughout the day and will be done either at your booth or indoors in our Technology Center.

Exhibitor Activities

Also, you can sponsor a game or activity in your booth. All it takes is for you to provide a prize for the winner of your event. You may also wish to consider providing a business-labelled promotional item to all who participate in your event. Let us know of an activity you're interested in sponsoring and we'll help you organize and promote it. A listing of activities & sponsors will be posted on the WRWA website.

Sponsorships

Consider being a sponsor. Sponsorships help us keep the registration costs down for attendees to keep this an attractive event for them. It also gives your company additional exposure to your current and potential clients.

Outdoor Expo Raffle

We also ask that you consider donating an item to be included in our Outdoor Expo Raffle. Donors receive recognition on our website and in our Journal, and all proceeds from the raffle go directly towards debt reduction on our Technology Center to benefit operators and communities across the state.

We Value Your Input

We're open to your suggestions on ways we can make this event more beneficial to you and our attendees. If you have any questions, comments or suggestions please call the WRWA office at (715) 344-7778 or email us at wrwa@wrwa.org.

Thank You, and we look forward to seeing you in August!
