

## Tapping into Wells and Pump Houses

6 Municipal Water credits for full attendance  
(No Fee)

**September 8, 2022** – Menomonie Fire Station #2, 2417 Wilson Street, Menomonie, WI

8:30 AM – 3:00 PM

*Lunch will be provided by **CTW***

This training will identify how geologic history can influence well construction and groundwater resources in Wisconsin. In addition, the training will cover well components, well performance and rehabilitation, pumphouse components, and pump system controls.

**Speaker:** Troy Simonar- CTW – (WRWA Corporate Gold Member)
