

Water System Operations Basics: Drinking Water Treatment and Distribution

Thursday, August 3, 2023

Lake Hallie Municipal Building – 13136 30th Avenue, Lake Hallie, WI 54729

(6 Municipal Waterworks Credits)

8:00 – 11:00 Drinking Water Treatment

This training session will cover the basics of drinking water treatment including water chemistry, disinfection strategies, disinfection byproducts, corrosion control, fluoridation, and filtration.

11:00 – 12:00 Lunch (on your own)

12:00 – 3:00 Waterworks Distribution Systems

This training session will help familiarize or refresh students with the various components of a water utility distribution system including pipes, pumps, valves, and storage reservoirs. The discussion will include pipes used for distribution and their pros and cons based on type, locating those pipes, and different operation and maintenance strategies.

Course Instructor: Tony Roche – *Wisconsin Rural Water Association*

Pre-Registration is required for this class.
