WRWA Annual Technical Conference Vendor Sponsorship Opportunities

We realize that exhibitors at our conference want to take advantage of every opportunity they can to get their name in front of the 1,300 people that attend our conference every year. That's why we offer a range of opportunities to maximize their exposure to water & wastewater system representatives from across the state. Such sponsorships also allow us to keep our registration costs down which helps keep attendance affordable to communities. We hope you'll take advantage of these great opportunities and help our conference remain one of the largest of its kind in the upper Midwest.
