

WRWA OTM/NN Compliance Sampling 2025

Multiple Dates & Locations in 2025
(6 OTM/NN Credits)

Doors will open at 7:30 am with the class starting PROMPTLY at 8:00 am. The class will end at 3:00 pm.

Improper sampling techniques can adversely affect your sample results. Attend this class and learn how to give yourself the best chance of getting accurate results. We will go over the EPA and DNR requirements for drinking water sampling and explain the importance of proper sampling sites and techniques for required monitoring. They include Bacteriological, Lead and Copper, Inorganics, Volatile organics, Synthetic organics, RAD sampling, and Disinfection Byproducts.

Speakers: *WRWA Staff & Other Water Professionals*
